1. WHAT IS TOMORROW'S PRICE?

1.1. About the game

Tomorrowsprice is a Dapp game where you can predict the tomorrow price of Bitcoin (BTC). It's not a Gambling Game, so when you have a wrong prediction, you would not lose anything.

1.2. Game condition

If you want to play the game, you need to deposit 100 DAI to Tomorrowsprice. It means you would get a ticket to play everyday.

1.3. Site operation

Tomorrowsprice operated by a Smart Contract. It will automatically distribute the total deposit of players onto [Compound.finance](https://compound.finance). The generated interest of Compound is used to pay for the prize of players.

2. HOW TO PLAY?

You can place a prediction for the tomorrow price of BTC on the homepage of Tomorrow'sprice. If you have a correct prediction, you can earn minimum 100 DAI. In case there is no winner, the prize will be added up everyday, until it reaches 1,000 DAI. If you have an incorrect prediction, you lose nothing, and your balance would remain the same.

NOTE

- 1 You can use HB Wallet or Metamask.
- 2 100 DAI = 1 Ticket = 1 turn to predict the tomorrow price of BTC.
- 3 Unlimited times to predict, you only need to deposit 01 time.

3. GAME ADVANTAGES

3.1. Transparent

The result is provided by calling an API from coinmarketcap.com at exact 02:00 PM (UTC) everyday.

3.2. Anonymous

You don't have to submit any KYC to join the game. To start the game, you only need to use an Ethereum Wallet to sign in.

3.3. Costless

You can withdraw 100% of the deposited amount from our Smart Contract at anytime. It only costs you a small amount of Gas Fees when making a deposit, or withdraw, as the whole system is operated by a Smart Contract.

4. HOW IT WORKS?

4.1. Game Mechanism

Tomorrowsprice is operated completely by a Smart Contract. It means the deposited DAI is secured within a Smart Contract on the Ethereum Blockchain, and can be tracked by any [Block Explorer](#).

4.2. Top Players

Players that have close predictions to previous given results will be listed on our Top 10 Board. **Top 10 players will be rewarded everyday.**

4.3. What's more?

If there is another player want to check out your placed predictions as a reference you will earn a reward. You can also refer a friend to earn the referral reward. Please check our affiliate policy for more details.

5. FAQ

5.1. When can I withdraw my deposit?

Your deposit can be withdrawn at anytime. In a few simple steps, your deposit will be returned to your wallet.

5.2. What is the prize of Top players?

Top players will be rewarded everyday.

Rank 1: 2% of the provided interest from Compound

Rank 2: 1% of the provided interest from Compound

Rank 3: 0.5% of the provided interest from Compound

Rank 4 – Rank 10: 0.2% of the provided interest from Compound

5.3. How can I place 05 predictions in accordance with 05 tickets?

You can obtain 05 tickets by depositing 500 DAI to the Smart Contract.

5.4. When can I find the result?

The result will be provided automatically everyday by calling an API from coinmarketcap.com at exact 02:00 PM (UTC).

5.5. What will happen when I place an incorrect prediction?

You would not lose anything when placing an incorrect prediction. Your deposit will remain the same until you withdraw it.

5.6. If I have a correct prediction, how and when can I receive my reward?

For security purposes, the reward will be sent by Tomorrow's Price within the working day after.

5.7. Is this game Decentralized?

Yes, Tomorrow Price is a Decentralized Game (Dapp Game). Everything is operated and secured by our Smart Contract.

5.8. Can I change my address to login?

Sorry, you cannot change your address, unless you withdraw your deposit, then transfer to another address to play the game.

5.9. Can I withdraw my deposit to a different address from my login address?

It's not possible. For security purposes, you can only withdraw your deposit to your login address.
